Cardfields Testimonials

"Our second year staying at Cardfields, and we were blessed with great weather again, and great memories were made once more. As soon as we arrived, the children were off on their bikes, playing football and exploring the grounds. We had a blazing fire in the evening with toasted marshmallows and a singsong – thankfully, the neighbours were far enough away not to hear. On the Saturday, we walked to Paper Mill Lock, munched on ice creams, and returned back for rounders and more adventures. Home on Sunday exhausted but happy after another 'old fashioned' outdoor weekend – no PlayStations needed at Cardfields!

Hopefully we will be back next year!" – Emma Rowe, Angela Downes and families – August 2019

"We had such an amazing weekend. We love Cardfields and cannot wait to come back next year. Still the best place we have stayed for a group family weekend - feels like coming home when we walk through the door. Thank you to all at Cardfields for a great stay- see you in 2020" – Annabel West – May 2019

"Had the most fabulous weekend staying at Cardfields with friends! Made good use of all the facilities, the children were never bored. Beautiful weather helped us spend the entire time outside. Will defiantly return in the future" – Danny & Toni Freeman April 2019

"We fell in love with Cardfields as soon as we saw it - the lovely house, the beautiful setting, the fantastic space and facilities. It immediately appealed to us as the perfect venue for our wedding reception, which was to be themed as a wedding festival. And it didn't disappoint for our special day! The marquee looked fantastic on the lawn, and there was plenty of space for over 200 guests and bands to relax and enjoy. There was so much to keep the kids occupied, which helped parents have a more relaxing day. Several of our friends and family who had to travel some distance were all able to stay for the whole weekend, which again contributed to our guests having more fun. And we loved being able to stay in the delightfully newly furnished bridal suite. Throughout the lead up to our wedding, the Cardfields staff were so helpful and hands on, and certainly went above and beyond with all their support to make sure our wedding was perfect. The staff wanted to make sure Cardfields looked its best for us, and we can understand why they are so proud of it - it certainly has a wonderful charm about the place. We received so many compliments on finding this treasure of a venue. On our venue search, this was the only place where we really had the freedom to have our wedding exactly as we wanted. So thank you Cardfields, for letting us have the most magical of days, we just didn't want it to end! - Ellie & Neil August 2017"

"Cardfields welcomed The Creighton Family for a surprise 60th Birthday celebration in August. Libby Creighton stated "We booked the house out for our mums birthday with all family & friends. Was fab, the bunkbeds made it exciting for the kids and a giggle for the adults!! We hired the chef to cook a big BBQ on the Saturday and used the bonfire grounds for the Sunday for a relaxed night to recover. The kids made good use of the BMX track and loved collecting the chicken eggs every morning. The girls are always on hand for any advice or help. Highly recommended!! – Creighton Family August 2017

"A massive thank you for an amazing Easter weekend! We regularly stay in holiday parks with our friends, consisting of seven families, for the Easter break so staying in one big

house was new to us. The house is so big and quiet which is brilliant with lots of children staying. It was a treat to have a lounge and dining area that could seat all of us yet the bedrooms felt like your own apartment! The kitchen had everything we needed and we were lucky enough to have great weather to make use of the BBQs and beautiful patio area. Outside the children were constantly amused by the multi sports court, BMX track and lots of space to run around! They also loved collecting the eggs from the chickens. You made us feel so welcome and was always there if we needed anything. Overall the best Easter break we've had and look forward to returning soon". – April 2017

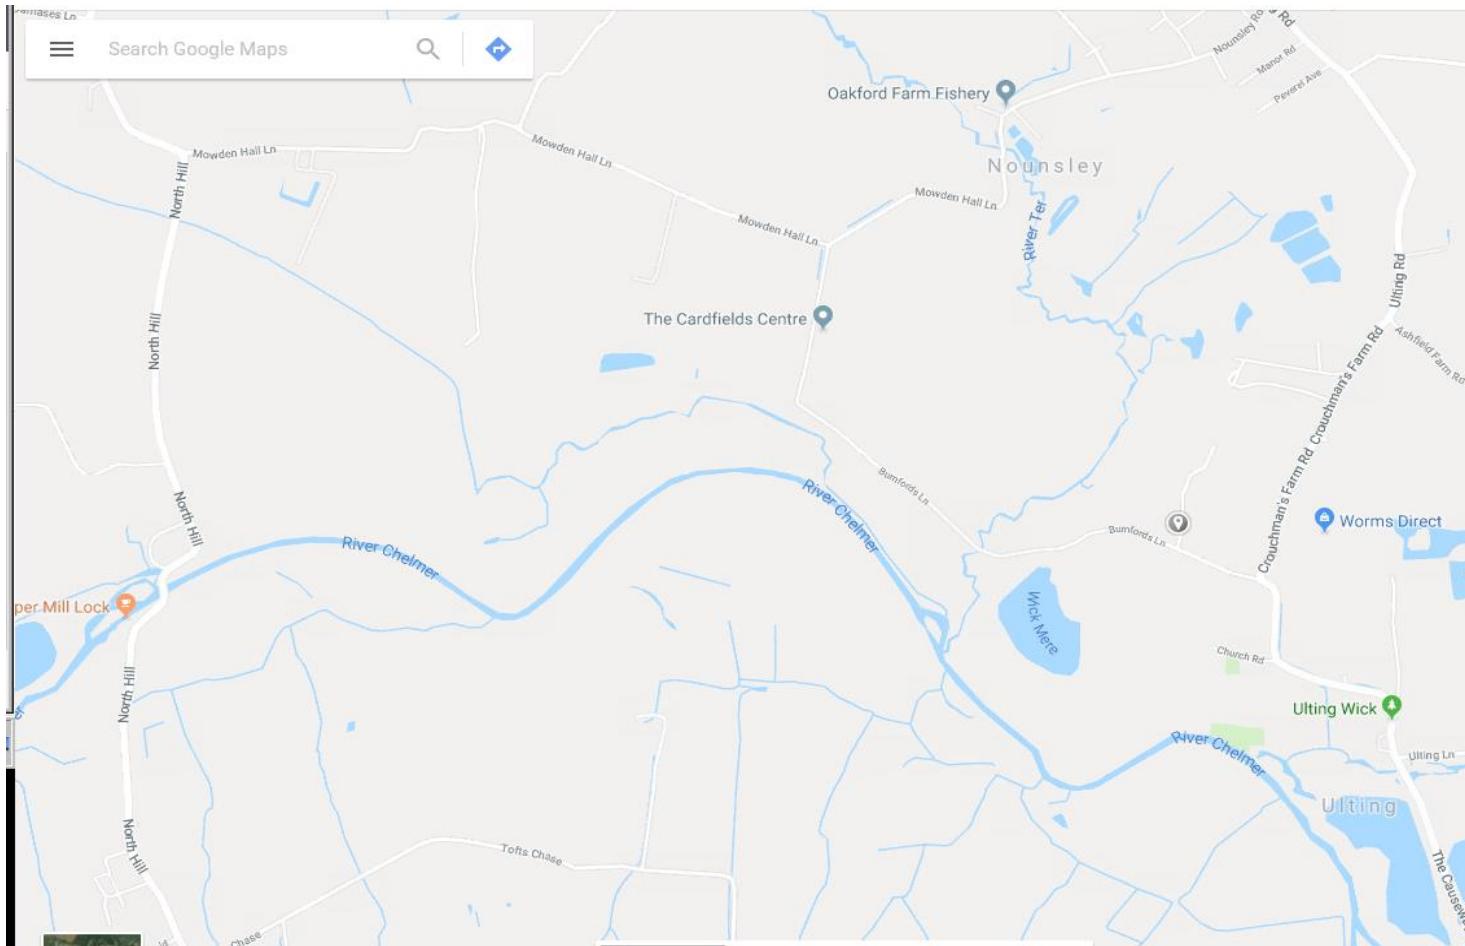

"The Bellamy family want to say thank you so much to Cardfields staff for their help and cooperation over the weekend. We had a brilliant family party (over 30 people) to celebrate my wife's 80th birthday, and Cardfields was the ideal setting. The self-catering facilities are excellent, and the beds comfortable and we had lovely autumn weather so the kids made full use of the outdoor sports areas. Thank you for the magnificent birthday cake - Jill (Julia) was touched by your kind thought. We wish you well for the future - John Bellamy 2 October 2016"

"Just wanted to say a massive thank you again for everything you did this weekend. We had the most amazing time. The venue is fantastic. It was only beaten by the care and help your staff gave us. You really went above and beyond to make our weekend the best. All the lads commented on the way you more than catered to our every need. Thank you so much. If you can send me a link to your trip advisor, I would love to write a review and I'm sure some of the lads would like to do the same. – Thijs Morris (stag party), July 2016"

"Cardfields was the perfect venue for our large stag party. The accommodation and layout of the house works so well for large groups. The star attraction on the first night was the floodlit and fenced in five-a-side court, a great way to break down the barriers and get to know each other. There are a few pubs and restaurants in nearby Hatfield Peverel, but we opted to head into Chelmsford, which is a 15-minute taxi ride away. The pub we visited was happy to allow large groups in with the Fleece being the pick of the bunch for us! Throughout the whole weekend, Elaine and Ron made us feel very at home, they couldn't have been any more welcoming. We now need to think of an excuse to come back to do it all over again! – Dan, June 2016"

"To the whole team at Cardfields, I just wanted to write to thank you for being so accommodating and helpful whilst running our summer and winter retreats at Cardfields. Your cooperative spirit has really made a difference to us and Cardfields has worked really well for the London Buddhist Centre as a retreat venue. With much appreciation - Maitreyaraje, January 2016"
